

General Register Office for Scotland Publication Scheme

9. Feedback on the scheme

The Freedom of Information (Scotland) Act 2002 requires public authorities not only to maintain a publication scheme approved by the Scottish Information Commissioner but also from time to time to review the scheme. As part of this process we would be glad to receive any comments or suggestions on the publication scheme. Comments or suggestions for particular classes of information to which we might in future commit to publishing under the scheme would also be welcomed.

Please send any comments to Strategy and Information Management Secretariat (see [contact list](#)).
